

Meanings of the Stained Glass Windows in

The Little GLORY BAPTIST CHURCH

In Easter 2006, The Little GLORY BAPTIST CHURCH building was fitted with specially designed hand-painted stained glass windows. The arch top of each window has a red cross surrounded by faceted clear glass, all appearing on an amber hill.

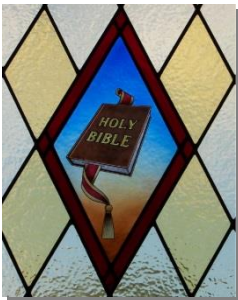

Each of the six window's centre piece portrays a Biblical symbol of our LORD JESUS CHRIST, to honour and glorify our SAVIOUR and LORD.
